

Dear legislator,

I am **IN FAVOR** of **HB 757 Save Women's Sports Act**.

Please protect women's sports. In the name of "inclusion" males and transgender girls/women (who were born male) are participating in women's sports. Female athletes have fought too long and too hard for equal athletic opportunity to let that happen.

The average male is bigger, faster, and stronger than the average female. This male-female athletic differential is almost entirely the result of biology. In head-to-head competitions, allowing even one or two male-bodied athletes to compete in the women's division can severely limit the chances of success for women athletes. The "inclusion" of trans girls should not come at the cost of discriminating against a biologically-female-at-birth women.

Thank you,

Jennifer Cason
