Position: Favorable

Hearing Date: February 16, 2023

Bill Contact: Delegate Bonnie Cullison

DoTheMostGood (DTMG) is a progressive grass-roots organization with members in all districts in Montgomery County as well as in several neighboring counties. DTMG supports legislation and activities that keep all Maryland residents healthy and safe in a clean environment and which promote equity across all our diverse communities. HB0363 supports these goals by proposing to study different options for making health coverage affordable to all Marylanders, regardless of immigration status, through Medicaid, CHIP, and private coverage of Maryland Health Connection.

In 2022, the Health and Government Operations Committee took a bold step in ensuring that pregnant women have access to care for their unborn babies. The Healthy Babies Equity Act expands Medicaid to pregnant individuals who meet the normal requirements of the program regardless of immigration status. We know this will have an immediate positive impact on our communities.

HB0363 seeks to gather information to help us better serve our uninsured residents by comparing options for offering affordable healthcare coverage to Maryland residents who are ineligible for the Maryland Children's Health Program or qualified health plans through the Maryland Health Benefit Exchange due to their immigration status.

HB0363 represents an important milestone in our journey towards creating a resilient healthcare system for all, especially communities of color who have been disproportionately impacted by lack of care. This common-sense legislation is uncontentious and aligns with Maryland's values of protecting our communities and treating all people with dignity, respect, and care.

Therefore, DTMG strongly supports HB0363 and urges a **FAVORABLE** report on this bill.

Respectfully submitted,
