Re: Letter of Support-Senate Bill 301, “Local Government Tort Claims Act- Cambridge Waterfront Development, Inc.

Dear Chairman Smith and Committee Members:

On behalf of the Commissioners of Cambridge, I respectfully offer the City’s support for Senate Bill 301 entitled “Local Government Tort Claims Act- Cambridge Waterfront Development, Inc.”

As a member of the Local Government Insurance Trust (the “Trust”), and pursuant to Section 9.06(b) of the Trust Agreement, we agree to sponsor Cambridge Waterfront Development, Inc. (“CWDI”) for purposes of property, primary liability, and excess liability insurance coverage. Senate Bill 301 alters the definition of “local government” under the Local Government Tort Claims Act to include Cambridge Waterfront Development, Inc., in Dorchester County; providing that a requirement to provide notice of a claim does not apply to unliquidated damages actions against the Cambridge Waterfront Development, Inc., or its employees; and generally relating to the Local Government Tort Claims Act. We ask that you look favorably upon this bill.

Thank you for your time and consideration of this letter of support. If you have any questions, please contact at the number stated above.

Sincerely,

Tom Carroll
