

Senate Bill 527 - Favorable
Appropriations Committee

Honorable Chair, Vice Chair, and Members of the Appropriations Committee;

If the goal is for students to be able to stay in college, or if the goal is to decrease the instance of unintended pregnancies, or if the goal is to decrease the number of abortions, then it makes sense to give Senate Bill 527 a Favorable report.

I expect unfavorable votes to come from those who just want to control people's bodies.

Thank you for your consideration.

Sincerely,
Debi Jasen
