

## Testimony Against HB0183

Please vote against HB0183.

Without any explanation as to why a permanent increase of benefits from \$200,000 to \$5,000,000 is needed, please vote against this bill.

The proposed increase is 25 times larger than the previous amount.

Each year, the Governor shall include in the annual budget bill an appropriation of at least [\$200,000] \$5,000,000 for the supplements under subsection (b) of this section  
(Page 4 lines 26-28)

Why is there no fiscal note included with this bill?
