

## SB0482 – OPPOSE

Governor's Office for Children - Engaging Neighborhoods, Organizations, Unions, Governments, and Households (ENOUGH) Grant Program (ENOUGH Act of 2024)

Dear Committee Members:

Please oppose this bill. It is nothing but a socialists' dream come true, where we all pay for everything for everybody. There is no way we can sustain all the spending that this legislature is pushing. Vote NO on SB0482.
