Appropriations Committee

SB202

Support

March 27, 2024

Good afternoon, Chair and Committee,

I am Executive Director of Cancer Support Foundation and here to speak for our clients as well as all of those who are facing medical challenges. I am here in support of SB202.

I have been a four-time care giver over a twenty-year period of time. During this time I had to close down a couple of businesses because of the responsibilities that I had, adding a great financial stress to the family.

Being a caregiver is one of the hardest jobs you will ever have and financially can break families.

SB202 starts to help the many caregivers in Maryland with some financial relief. Please pass this important bill.

Sincerely,

Cindy Carter
Executive Director
