**Rob Stone, Person with a Disability, Self-Directed Services**

**UNFAVORABLE**

My name is Rob Stone and I use self-directed services. Dear Gov. Moore, I admire you, but I think you're making a mistake. You don't understand I need my IFDGS funds for my community activities: VisArts, UCR classes, Spirit Club and my music lessons. That's how I hang out with my friends with disabilities.

If I can't see my friends, I will be sad.

Please let me keep my IFDGS funding. Thank you.
