

HB0262 – Favorable with Amendment

Recommend the amount for salary to be exempted from the exceptions outlined in (a) to be increased to \$150,000 as well. Why is \$75,000 chosen? Many people who experience difficulties will still be at the \$75,000 salary range especially with the increase in the minimum wage. Executives are the ones getting the over \$100,000 salaries. Executives should have a higher standard. Therefore increase from \$75,000 to \$150,000 to allow new executives (\$100,000 - \$150,000) a chance to not be judged by past circumstances as well.

Recommend Page 2 Line 16 of bill to read:

which may reasonably be expected to equal, [\$20,000] \$150,000 or more.

Thank you.
