

SB0660 is a bad bill because it gives more rights to some citizens and less rights to other citizens (HAVA violations in the making!!!) 30 pages of complications and confusion! NO bill needs to be this complicated, there is always something very bad in a 30 pg bill that is not apparent. Why should certain people get a whole new way of voting that isn't necessary during the voting season? Of 50 other ways to vote in an insecure method? NO TO this violation of our rights. We already have HAVA (HELP AMERICA VOTE ACT) in place, we don't need this too. Say NO to this bad and highly discriminatory bill.

“Public trust in the federal government, which has been low for decades, has returned to near record lows following a modest uptick in 2020 and 2021. Currently, fewer than two-in-ten Americans say they trust the government in Washington to do what is right “just about always” (1%) or “most of the time” (15%). This is among the lowest trust measures in nearly seven decades of polling. Last year, 20% said they trusted the government just about always or most of the time.” PEW Research, Sept 2023
