

Senate Bill 353 - SUPPORT

**Senate Bill 353 - Environment - CAD Task Force
House Committee on Environment and Transportation**

My name is Darrell Abed. I live in the community of Stoney Beach Condominiums in Northern Anne Arundel County.

I strongly support Senate Bill 353 and its independent investigatory role, independent scientific expertise, and meaningful citizen inclusion and legislator participation. It is of utmost importance that a great environmental injustice is not committed in the name of cost and convenience to the state.

Sincerely,

Darrell Abed
