SB 027 – Cosmetology Compact - Request for Favorable Report

Dear Chairman Smith and Honorable Members of the Judicial Proceedings Committee

The Cosmetology compact that you are considering is sponsored by the Council of State Governments, the Department of Defense and the Future of the Beauty Industry Coalition. The compact allows cosmetologists to practice in any state that accepts the compact. The compact has already been enacted in three states (Kentucky, Alabama and Arizona), and is currently being considered in eight other states in addition to Maryland. Approving this compact will provide an additional licensing pathway by creating license reciprocity among the participating states, reducing barriers to portability and employment.

Currently there are nine additional compacts in Medicine, Registered Nurses, Physical Therapist, Audiology and Speech-Language Pathology, Occupational Therapy, Psychology, and Counseling. There is work underway to establish an interstate compact for Advance Practice Nurses and Social Workers, both of which have had legislation sponsored here in Maryland this year.

Maryland is home to 34,444 active-duty service members, 14,292 active-duty spouses and 25,642 reservists/national guard members with 28,019 family members¹. In addition, there are 355,787 veteran households².

Military spouses have long faced employment challenges, with an unwavering unemployment rate of 22% compared to our local rate of 1.8%. Most spouses need to work. Sixty-seven percent (67%) of active-duty spouses had to leave their last job because of a permanent change of station move. On average, they earn 26.8% less in income than their non-military counterparts because of the frequent moves. The average time to find a job for a military spouse is 19 weeks, and that doesn't include getting a new license or credential³.

SB 027- Cosmetologist Compact - **Request for Favorable Report**

The average military family moves every two to three years and for cosmetologist it means getting another license before they can work. Here in Maryland, our high cost of living means that for most families having two incomes *is critical*. Time lost seeking a new job and a new occupational license creates economic challenges for our military families, not only in the near term, but the cumulative effect is that they often cannot plan for, save for, and be ready for retirement. Often the difficulty for spouses staying employed is one of the main reasons that service members decide *NOT* to re-enlist.

The Maryland Military Coalition, is a voluntary, non-partisan organization representing 21 veteran service organizations who, in turn, serve over 150,000 Maryland uniformed services men and women and their families. The Coalition strongly supports Senate Bill 027 – Cosmetology Compact and asks for your **favorable report**.

Thank you to Senator Gile for sponsoring this important legislation.

Respectfully,
