Senate Bill 353 – SUPPORT

Senate Bill 353 – Environment - CAD Task Force  
House Committee on Environment and Transportation

My Name is Chris Wallis, I am a waterfront property owner, and have lived on Rock Creek for 35 years. I am appalled at the proposal to use the recreational area on the Patapsco River near Stony and Rock creek as a dump site for hazardous waste.

I strongly support Senate Bill 353 and its independent investigatory role, independent scientific expertise, and meaningful citizen inclusion and legislator participation. It is of utmost importance that a great environmental injustice is not committed in the name of cost and convenience to the state.

Sincerely,

Chris R Wallis
