Dear Honorable Chair Marc Korman and Members of the Committee:

My name is Mark Czajka and I'm a resident of Charles County and the Director of MD Volt Inc., a Maryland EV club. I **SUPPORT** House Bill 689 (Electric Vehicles – Repeal of Excise Tax Credit and Establishment of Rebate Program). These are my personal views on HB 689:

- The federal credit is now a point-of-sale rebate for new and used vehicles, so Maryland's should be the same to make the purchase process easier for buyers.
- This could potentially boost sales of EVs to meet state goals.

If you have any questions, please feel free to contact me at [mark@mdvolt.org](mailto:mark@mdvolt.org).

Sincerely,

Mark Czajka
