

I am opposed to HB0910

To whom it may concern,

I am a remote worker that lives in Mount Morris, PA and I moved to this area due to the Upper Yough. I am opposed to HB0910 due to the impact both to the recreation outdoor activities as well as the additional financial burden it will have on small businesses since money will need to be sent to the Adventure Sports Center, a Deep Creek business!

Regards,

Ruben Martinez
