HB1181

Delegate CT Wilson

Dear Delegates of Ways and Means,

There is one group of people...truth be told, a very large swath of Maryland residents...for which in Annapolis the “woke”, communist-leaning lawmakers are loath to assist or even mention. They don’t even mention our names.

Look at CT Wilson’s bill, HB1181.

Who’s missing?

I’ll help.

It’s someone who looks like me or my grandmother or my great, great aunt or my poor Irish great grandfather. People who were born, grown, and lived in poverty. Somehow CT Wilson can’t get himself to #SayOurName...

HISTORICALLY DISADVANTAGED RACIAL AND ETHNIC GROUPS, INCLUDING:

9 1. AFRICAN AMERICANS;

10 2. NATIVE AMERICANS;

11 3. ASIAN AMERICANS AND PACIFIC ISLANDERS;

12 4. HISPANIC AMERICANS;

13 5. JEWISH AMERICANS;

14 6. ARAB AMERICANS; AND

15 7. OTHER HISTORICALLY DISADVANTAGED RACIAL AND 16 ETHNIC
GROUPS;

I have to say that, whenever I’ve dealt with this particular lawmaker, I’ve never felt the love. But, really, that’s okay. If any particular lawmaker doesn’t feel a certain way, adults must accept the world for what it is. It’s difficult, trying and often a very impoverished experience. But never, ever is it not filled with love for those of goodwill.

Love must be sincere. Hate what is evil; cling to what is good.

The preamble of the bill is filled with the most bizarre, Mass Media-driven fake news. Someone needs to let Del.CT Wilson know that one’s awful background notwithstanding, neither he, nor you nor I live in a firebombed City of Dresden nor under a Hiroshima mushroom cloud.

The concept of this bill was nonsense when brought to usurp local school superintendents' authority. It's still flawed. There's nothing keeping teachers across our state from giving facts (rather than political pablum and diatribe issuing from Annapolis). The hate and malevolence this bill purports to stop would be foisted upon people without due consideration and in an anti-White, anti, European tone.

I urge an UNFavorable on this bill's revisionist, fraudulent fearmongering and cultural Marxist tactics.
