

HB1091 Delegate Vogel Public Safety - Reproductive Health Care Clinic Security Grant Program - Establishment (Protecting Reproductive Health Care Clinics Act)  
SB0975

Public Safety for whom? Faith based people are peaceful people, is this a support team to intimidate and harm peaceful prayerful protest of murdering babies? Is this bill to end free speech of those who disagree with the death cult and the murdering of innocents? Seems so – Reproductive Health Care Clinic Security Grant Program – Establishment (Supporting Reproductive Health Care Clinics Act)
