

HB0179 is the LEFT canceling our history and things they do not like. It's the Leftist Religion of Wokeness or Wokism and from many of our perspectives DUMB and ridiculous. LEAVE Christopher Columbus and the celebration of that day ALONE PLEASE. If you want another day celebrating Native Indians then create that day, don't erase a day you don't like and replace it with a day to celebrate indigenous peoples. As a granddaughter of a Native American grandmother this is insulting.

MORE DUMB DEI, everything Woke will eventually go BROKE. In the past this behavior is classified as a CULTURAL GENOCIDE.

YOU CAN'T CANCEL REALITY AND HISTORY, YOU CAN TRY TO HIDE IT but cancel or erase NEVER. Do you know who else hid and destroyed history? Bolsheviks, Communists, Nazis, and other heinous groups of deranged people.
