

Safa Masoud

Maryland General Assembly/ceasefire resolution HJ0002

02/29/2024

My name is Safa Masoud .I am a concerned resident in Maryland and a mother of three children . Thank you for giving me the chance to give my written testimony on HJ0002.

As an American Palestinian I really appreciate your time and giving me the chance to be heard .Because recently My voice and my brothers and sisters here and in Palestine are being censored .

I wanted to share my cousins story of how he got abducted on Oct,8th 2023 by the Israeli forces at 2 am in morning front of his two year old daughter .We don't know anything about him , if he is a live or not . This is only one story from the 5000 Palestinian hostages that been held in Israel prison .

I argue you all to pass this resolution and be on the right side of the history . This resolution will give our community hope and peace .

Thank you madam chair and I hope you will consider my testimony .It will be much appreciated.
