Maryland House of Delegates
HJ0002 – Supporting a Long-Term Ceasefire in Israel and Palestine
Position - Favorable

Dear Speaker Jones and Members of the Maryland House of Delegates:

Our Revolution Prince George's is in strong support of HJ0002 – the resolution in support of a ceasefire in the carnage currently occurring in Palestine. We commend the sponsors for taking the step to bring HJ0002 before the House and we urge all the members to support this resolution

Maryland must be in the forefront of demanding that military actions cease and talks begin.

Sincerely,
Suchitra Balachandran
