

I am heart-broken by Israel's relentless attacks and massacres in Gaza. I was shocked by Hamas' brutal attacks against Israeli military outposts and civilians on October 7, and shocked and horrified by the brutal attacks on Palestinians in the months since. I am appalled at Israel's denial of food, clean water, shelter, and medical supplies for Palestinians, leading to starvation and death for the people of Gaza. I call on you to support an immediate and permanent ceasefire in Gaza and urge you to oppose further appropriations for military and arms sales to Israel and advocate for solutions that address the root causes of occupation and apartheid which have led to the current nightmare.
