

Testimony by Lucy Moore, Resident of Takoma Park Maryland on behalf of Takoma Families for Ceasefire.

Please pass the House Joint Resolution 2, Supporting a Long-Term Ceasefire in Israel and Palestine

Takoma Families for Ceasefire – a group of Maryland residents and neighbors have been regularly gathering in Takoma Park for Families for Ceasefire events, creating space to connect over our shared concern for the violence in Israel and Palestine, backed by US dollars and weapons. We and other Takoma Park residents support the passage of a ceasefire resolution. I am a concerned citizen committed to working with our community and the council, as our elected leaders, to oppose the ongoing war. A ceasefire resolution is in keeping with Maryland's progressive values and commitment to human rights.
