

SB1023 – UNFAVORABLE UNCONSTITUTIONAL!

Nelda Fink

MD District 32

I strongly oppose this bill because it requires additional building expenses for reasons that are not necessary to the safety of the building but are there only to support the state's unconstitutional mandates of a certain agenda. This bill as well as the house bill cross-filed with it, infringe on a person's property rights that are protected in the Constitution of the US as well as in the Maryland Constitution.

The purpose of government is to protect the rights of the citizens, not to mandate them away.

100% OPPOSE this bill and ask an unfavorable report as it is unconstitutional.

Thank you.
