

MARYLAND MILITARY COALITION

Serving Veterans through Legislative Advocacy

January 22, 2024

The Honorable Luke Clippinger
Chair, Judiciary Committee
Room 101
House Office Building
Annapolis, MD 21401

Subject: **Request for FAVORABLE Report** – HB0125 – Courts – Military Records –
Recordation and Inspection

Dear Chair Clippinger and distinguished members of the Judiciary Committee:

On behalf of the members of the Maryland Military Coalition (MMC) and as its Legislative Director, I write to recommend a **FAVORABLE report** by the Committee on ***HB 0125 – Courts – Military Records – Recordation and Inspection***, sponsored by Delegate Mike Rogers. This bill will alter certain provisions of the law relating to the recordation and inspection of certain military records kept by the clerk of a circuit court by including electronic records of discharge papers of any person who has served in the armed forces of the United States and presented those papers to the clerk for recording. The bill also requires the redacting of the Social Security number of an individual from any portion of the book or electronic record and any index in the book or electronic record in which the Social Security number appears.

The provisions of this bill modernize Section 2-207 of Article – Courts and Judicial Proceedings. It will bring this important recordkeeping in line with current best practices and, most importantly, prevent and protect from the potential fraudulent misuse of an individual's Social Security number in the event a certified copy of the record is released.

The Maryland Military Coalition **strongly supports** HB0125 and asks for a **FAVORABLE** report from the Judiciary Committee. This bill ensures that there will be no identity theft upon the proper release of an individual's discharge papers.

The Maryland Military Coalition is a registered non-profit, non-partisan advocacy organization comprised of 21 prominent Maryland-based veteran and military groups, representing over 150,000 service-connected individuals, including those currently serving, veterans, retirees and their families, caregivers, and survivors.

We want to thank Delegate Mike Rogers for sponsoring this legislation and his continued strong support of the veterans community in Maryland.

Respectfully,
