

HB0456 The same people pushing this bill do not think a person up to age 25 should be held accountable for their actions criminally because their “brain is fully developed”. This is just another WHAT COULD GO WRONG scenario. Say NO to this bad bill please. Our elections integrity and trust in them are at an all time LOW.

“Public trust in the federal government, which has been low for decades, has returned to near record lows following a modest uptick in 2020 and 2021. Currently, fewer than two-in-ten Americans say they trust the government in Washington to do what is right “just about always” (1%) or “most of the time” (15%). This is among the lowest trust measures in nearly seven decades of polling. Last year, 20% said they trusted the government just about always or most of the time.” PEW Research, Sept 2023
