

I'm Bill Love of 490 Fair oak Dr, Severna Park MD

Concerning SB0488: Civil Actions - Public Nuisances - Firearm Industry Members (Gun Industry Accountability Act of 2024)

This bill will circumvent federal protections for the lawful commerce of firearms and open the floodgates to a barrage of frivolous lawsuits seeking to force firearms manufacturers and dealers out of business by holding responsible for the unlawful acts of criminals.

Please, vote unfavorably to this unconstitutional bill.

Thank you
