

I'm Bill Love of 490 Fairoak Dr, Severna Park MD

Concerning HB0142: Election Law - Polling Places - Establishing Voter Identity (Voter Privacy Act of 2024)

I am in favor of this bill with the following suggested ammendment. Please, eliminate the use of a Voter Registration Card as a form of identification (Section 10-310 (a)(3)(II)(1) on page 2, line 8) because it does not have the picture of the voter on it, and the voter roll has data integrity issues.

Thank you
