

HOD - Ways & Means

Dear Delegate,

Please vote NO on HB1515 which would adversely affect the quality of life of Marylanders by forcing them to give up essentials in order to pay additional taxes on services. When it gets too expensive for someone to live and/or do business, they pack up and move. My own parents did this when they retired and moved out of state, leaving a HUGE hole in our family and preventing them from being able to see our daughter during her formative years.

When businesses don't get enough business or it's too expensive to run a business, employees loose when employers decide to shut down. The government cannot continue to dole out \$\$\$ right and left to everyone.

What happens when a favorite hair salon, nail salon, house repair, etc. costs WAY more . . . it MEANS these businesses will be no "MOORE" because of THIS bill.

You have the ability to kick this bill to the curb in order to CARE for YOUR constituents and not STEAL "MOORE" of their hard-earned \$\$\$.

The state should be able to work within a budget. The Governor had a HUGE surplus when he took office. Now there are numerous bills asking for "MOORE" money. This is unconscionable.

My spouse and I ask you to vote NO to HB1515.

Sincerely,
