

SB0016  
Election Law – Campaign Finance

Oppose

Dear Committee Members:

Please oppose this bill. Who would decide and check on where the remaining funds go? If I donate to a particular candidate, I would not approve of my money going to things that go counter to my beliefs and desires. This seems like a way to funnel money into certain non-profits and probably coffers I have no desire to help fill. I have no trust in this proposed process. Please oppose this bill.
