

HB1267 (Favorable)

Honorable Senators

I support authorizing public schools to designate Veterans' Day as a public school holiday.

Not having the kids off from school prevents the parents from taking the kids to various parades, statues, museums, and memorials so that they can better learn what our veterans have sacrificed so that we can live in a free society.

From what I have heard, some schools do not even have any educational program devoted to veterans that will be taught on Veterans Day.
