SB 168 – CAD Moratorium

This amended bill is a result of compromise between all the stakeholders.

While the Confined Aquatic Disposal (CAD) workgroup studies the future possibilities of CAD construction, all agreed to have a moratorium on construction.

This bill:

1. Puts a 4-year moratorium on the construction of new CAD cells.
2. Defines the term CAD, and
3. DLS added some stylistic changes while we were in the that area of code.

Therefore, I ask for your favorable consideration.
