

Bill No: SB156
Title: Universal Newborn Nurse Home Visiting Services – Program Establishment and Insurance Coverage
Committee: Health and Government Operations
Hearing: March 19, 2025
Position: FAVORABLE

The Maryland Legislative Agenda for Women (MLAW) is a statewide coalition of women’s groups and individuals formed to provide a non-partisan, independent voice for Maryland women and families. MLAW’s purpose is to advocate for legislation affecting women and families. To accomplish this goal, MLAW creates an annual legislative agenda with issues voted on by MLAW members and endorsed by organizations and individuals from all over Maryland. **SB156 - Universal Newborn Nurse Home Visiting Services – Program Establishment and Insurance Coverage** is a priority on the [2025 MLAW Agenda](#) and we urge your support.

SB156 would provide families with newborns in-home visits to promote child and maternal health, positive parenting, family self-sufficiency, and other aspects conducive to family cohesion early in a newborn's life.

The first few months of life are critical to ensuring long-term success. Many families lack access to qualified health care professionals to learn practices, techniques, and ensure their home is infant-ready. These free visits help women overcome challenges —especially in low-income communities and communities of color— related to affordability, transportation, access to a qualified health care professional, spousal/partner interference, and gaps in knowledge.

Universal Newborn Home Visiting will allow women access to health care professionals specialized in infant and maternal health. During the visits, they can learn practices and techniques that benefit them and their child(ren). These visits provide additional opportunities when mothers can ask questions of qualified health professionals to ensure mothers are armed with the knowledge they need to provide for their newborn. Finally, Universal In-home Visits provide an opportunity to prevent and address violence in the home.

For these reasons, MLAW strongly urges the passage of SB156.
