Testimony on HB 1222 - Favorable with Amendments

HB 1222- Public Safety - Immigration Enforcement (Maryland Values Act)

Senate Judicial Proceedings Committee

March 27, 2025

Dear Honorable Chair Smith, and Members of the Committee,

The Solidaridad Action Committee (SAC) of the Gamma Alpha Chapter (GA) of Hermandad de Sigma Iota Alpha, Incorporada (SIA) offers a **favorable with amendment** testimony in support of **HB 1222- Public Safety - Immigration Enforcement (Maryland Values Act)**. SAC is composed of sisters of SIA, a Latina based but not Latina exclusive sorority with a large membership base throughout the state of Maryland. Our committee and organization represents many women including undergraduates currently studying at the University Maryland, College Park, Towson University, Johns Hopkins University, McDaniel College and alumni who are educators, faith leaders, and medical professionals.

At its core, this bill is about upholding Maryland's values—fairness, dignity, and justice for all. The Maryland Values Act affirms that our state should not be in the business of tearing families apart, undermining public trust, or funneling state and local resources into a federal deportation agenda. Instead, Maryland should stand firm in its commitment to community safety, due process, and equal treatment under the law - by ending 287(g).

The 287(g) program has a well-documented history of racial profiling, discrimination, and wrongful detentions. It diverts local law enforcement from their primary duty of protecting public safety, forcing them to act as immigration agents rather than community protectors. This erodes trust, particularly among immigrant communities, making people less likely to report crimes or seek help when needed. Ending 287(g) ensures Maryland's resources are used to foster public safety—not help the federal deportation agenda.

As part of the Maryland Immigrant Justice Table, along with CASA, **we support a clean bill that removes the amendments added to the bill in the Judiciary Committee that require notification and transfer to ICE**. The sole purpose of this legislation is to end 287(g) agreements in Maryland, not to create or mandate new forms of collaboration with ICE. Local jurisdictions already have the discretion to engage with ICE if they choose; ending 287(g) agreements does not limit that existing authority. **We strongly support a clean bill that aligns with the original intentions of the legislation - to simply terminate 287(g) agreements in Maryland.** This is what will bring Maryland closer to our values.

The Solidaridad Action Committee of SIA's GA **urges the committee to provide a favorable report with amendments on HB 1222.**
