

## **Testimony in SUPPORT of SB 828**

SB 828 - Immigration Enforcement - Sensitive Locations - Guidelines and Policies (Protecting Sensitive Locations Act)

House Judiciary Committee

March 24, 2025

Dear Honorable Chair Clippinger, Vice Chair Bartlett, and Members of the Committee,

Kyle Orland is pleased to offer **a favorable testimony in strong support of SB 828-Immigration Enforcement - Sensitive Locations - Guidelines and Policies (Protecting Sensitive Locations Act).**

For over a decade, federal policy limited Immigration and Customs Enforcement (ICE) activities in sensitive locations—such as hospitals, schools, courthouses, and places of worship—to prevent intimidation and ensure access to essential services. However, as of January 20, 2025, the revocation of these protections has left immigrant communities vulnerable to enforcement actions in spaces where they should feel safe.

This shift has already created an environment of fear and uncertainty, discouraging individuals from seeking medical care, pursuing education, accessing legal resources, or engaging with law enforcement. As a result, our communities, public health, and overall safety are at risk.

Nobody deserves to live in fear of being swept up by government agents in these locations. I'm especially concerned about the impact ICE raids could have on schools, even on students who are not the target of such raids.

Everyone should access essential services without fear of detention or separation. Public safety improves when immigrants feel safe reporting crimes and seeking help. Clear enforcement boundaries build trust, strengthening communities and institutions. For these reasons, **I urge the committee to provide a favorable report on SB 828.**
