Public Schools - Lifesaver Schools Program - Establishment

Michaela Steiner - Dulaney High School Student

Chair Atterbeary, Vice Chair Wilkins, and members of the Ways and Means Committee:

My name is Michaela and I am a student from Baltimore County. I write to you on behalf of students in Maryland to request a favorable report on House Bill 612.

Sentence starters:

I believe mental health services are important for schools to provide because the current mental health options available to public school students is not enough. They deserve more effort, thought, and care to be put into their health.

Accordingly, I respectfully request a favorable report on HB612 from the committee. Thank you for your time.
