RE: HB 17 – Internet Gaming - Authorization and Implementation

Dear Chair Atterbeary:

This letter is in opposition to *House Bill 17 – Internet Gaming - Authorization and Implementation*. This bill calls for the legalization of iGaming in Maryland.

iGaming is one of the most addictive activities available.ⁱ The ease of access to iGaming is expected to lead to more health and emotional difficulties that come with gambling disorders including substance abuse, depression, and increased suicide rates.

Currently, only seven states have legalized iGaming (Connecticut, Delaware, Michigan, Nevada, New Jersey, Pennsylvania, and West Virginia). All of the states with data have noted increases in helpline calls since iGaming began; Pennsylvania reported the lowest increase of calls with a 140% increase, Michigan was the highest with a fivefold increase in just the first month after iGaming went live. The damage that iGaming causes is clear.

We urge an unfavorable report on HB 17. If you would like more information, please contact Mary Drexler at mdrexler@som.umaryland.edu.

Sincerely,

Mary Drexler, MSW
