

## Testimony For HB0890

Honorable Delegates

I support authorizing a voter to change the voter's political party affiliation at an early voting center or precinct polling place during a primary election and vote the ballot for the voter's new political party affiliation.

If one can register to vote at an early voting center for a primary election, or at the precinct polling place on the day of the primary, I do not see why voters already registered should be prevented for changing their party affiliation at either place.

Please enter a favorable report for HB0890.
