Notification of Constant Yield Tax Rate - Repeal**

House Ways and Means Committee

March 13, 2025

Opposition Removed

The City of Takoma Park appreciates the amendments made to Senate Bill 183, to ensure that the Department of Assessments and Taxation will calculate and notify a municipal corporation of the constant yield tax rate by February 14 of each year, if a request for it is submitted to the Department by February 1 of the year.

With the amendments, we no longer oppose the bill.
