

Testimony For SB0262

Honorable Delegates

Although I submitted written testimony requesting an unfavorable report for the Senate hearing, I recanted that testimony with my oral testimony as the prior witnesses who supported the bill addressed my concerns with the bill.

Thus, please ignore my prior written testimony and enter a favorable report for SB0262.

I support:

- altering requirements for scheduling special elections to fill vacancies in a county council or in the office of chief executive officer or county executive;
- requiring the State Administrator to conduct a special election in accordance with State law and regulations if the State Administrator determines a conflict exists between State law and regulations and a county charter or other county law relating to the conduct of a special election.

Please enter a favorable report for SB0262.
