Support for SB0624

We are dear friends of the family.

My name is Juliet Agranoff, and I am a resident of Shrewsbury, NJ. My daughter lived with Lindsay Wiener during her freshman year of college. We love Lindsay and her family dearly. I am writing in strong support of SB0624.

What happened to Lindsay, Jillian and the Wiener family should not happen to families in the future.

I respectfully urge you to vote for SB0624.

Thank you for your consideration.
