House Bill 442 – *Professional Liability Insurance Coverage – Nursing Homes, Assisted Living
Facilities, and Nurse Midwives – Disclosure*

LETTER OF INFORMATION

On behalf of the LifeSpan Network, the largest and most diverse senior care provider association in Maryland, representing nursing facilities, assisted living providers, continuing care retirement communities, medical adult day care centers, senior housing communities, and other home and community-based services, we submit this letter of information. This bill requires each nursing home and assisted living program to provide notice if professional liability insurance coverage is not maintained, has lapsed, or has not been renewed. Each nursing home or assisted living program that does not maintain professional liability insurance coverage must post such information in a conspicuous location.

This bill parallels the requirements for physicians and advanced practice registered nurses. As long as the disclosure is triggered by not maintaining, lapsing, or non-renewing the coverage, LifeSpan takes no position.
