HB373 State Board of Dental Examiners - Disciplinary Action and Unannounced Inspections –  
Favorable

Chairwoman Bagnall, Vice Chair Cullison, and members of the committee, thank you for the opportunity to present HB373 State Board of Dental Examiners - Disciplinary Action and Unannounced Inspections. This bill accomplishes two things. First, it updates the name of the existing Centers for Disease Control and Prevention CDC publication, and it adds an important second publication. Last, the Board lacks disciplinary action against the two newly created EFDA-expanded function dental assistants. I would like to note that according to the fiscal note the changes can be handled with existing budgeted resources.

I ask for your favorable consideration.

Sincerely,

A handwritten signature in blue ink that reads "Nick Kipke".
