

Testimony Against SB0346

Honorable Senators

Please enter an unfavorable decision about SB0346.

I am opposed to establishing certain civil liability for an individual who, under color of law, deprives another of a right, a privilege, or an immunity secured by the U.S. Constitution.

I do not believe that this proposed law is necessary. There are already federal statutes available to bring a civil action if federal officials exceed their authority and deprive someone of their constitutional rights.

Please enter an unfavorable decision about SB0334.
