HB 606 Anne Arundel County - Residential Property Tax Payment Deferrals - Eligibility

House Bill 606 is a cross file with Senate Bill 109 which is a local Anne Arundel bill that updates the tax deferral program. Under the current law, homeowners in Anne Arundel may be eligible for a deferral if they are at least 62 years of age, are permanently and totally disabled and qualified for benefits under any federal act for members of the United States Armed Forces. This update ensures that the language includes all Uniformed Services members, including certain reserve components, as well as members of the National Oceanic and Atmospheric Administration and the Public Health Service. This bill just updates the language to be consistent for Anne Arundel County and is simply a follow up from last year's Modernization of Maryland's Military Laws Act. I appreciate your time and respectfully request a favorable consideration for House Bill 606.
