Witness Guidelines and Committee FAQ's

Witness Guidelines:

The Committee:

The Rules and Executive Nominations Committee considers proposals concerning the rules, organization, and procedures of the House and the General Assembly. The Committee reviews legislation introduced after the bill introduction deadline, and decides on re-referral of those bills to other standing committees for consideration. In addition, the Committee examines gubernatorial nominations requiring House confirmation and reports its recommendations.

Late Filed Bills

Bills introduced after the bill introduction deadline come before the committee as announced, at which time the committee votes whether to re-refer each bill to the appropriate standing committee. Only members of the House may testify as to why each bill was not filed prior to the deadline.

Full Bill Hearings

Full bill hearings will be announced in the Hearing Schedule. Anyone wishing to testify on any bill can sign up in Room 145 of the House Office Building (**location is subject to change**) one hour prior to the scheduled hearing time. If you are submitting written testimony, please provide committee staff with 30 copies no later than 30 minutes prior to the start of the hearing; the bill number should be clearly written on your testimony.

Voting Records

Copies of all recorded votes are available online and at the information desk in the Legislative Services Building, after the bill has been reported out of the committee.
