Witness Guidelines and Committee FAQ's

Witness Guidelines:

The Committee:

The Rules and Executive Nominations Committee considers proposals concerning the rules, organization, and procedures of the House and the General Assembly. The Committee reviews legislation introduced after the bill introduction deadline, and decides on re-referral of those bills to other standing committees for consideration. In addition, the Committee examines gubernatorial nominations requiring House confirmation and reports its recommendations.

Late Filed Bills

Bills introduced after the bill introduction deadline come before the committee as announced, at which time the committee votes whether to re-refer each bill to the appropriate standing committee. Only members of the House may testify as to why each bill was not filed prior to the deadline.

Full Bill Hearings

Full bill hearings will be posted in the Hearing Schedule. HRU hearings are held in Room 150 of the House Office Building (unless otherwise noted on the Hearing Schedule). Witnesses may sign up to testify on any bill one hour prior to the scheduled hearing. All written testimony, 35 copies, must be submitted one hour prior to the scheduled hearing. Written testimony with multiple copies must be collated, stapled and contain the bill number.

Voting Records

Copies of all recorded votes are available online and at the information desk in the Legislative Services Building, after the bill has been reported out of the committee.
