Article V. Supplementary Regulations

Temporary uses shall be permitted, subject to the following:

B. Specific temporary uses. The temporary uses described below shall be subject to the following:

(8) Cottage houses.

(a) A cottage house is permitted on a single lot in the AG, RR, R1, R2, R3, R4, RO and VR Districts, provided that:

[1] On a lot of 2 acres or less, the cottage house is located within a dwelling currently on the lot;

[2] On a lot of more than 2 acres, the cottage house may be located within a dwelling currently on the lot or may be a mobile home. If the cottage house is a mobile home:

[a] The cottage house must meet the setback requirements for transient housing uses, except that in the AG District, the minimum rear yard setback for a mobile home cottage house is 40 feet;

[b] Skirting of a compatible material shall be substituted for a foundation;

[c] If the cottage house is visible from a residence on an adjacent parcel, the Department may require the lot owner to plant a Type “A” buffer yard, pursuant to § 267-30 (Buffer yards);

[3] The cottage house may be located within a new addition to the dwelling
which can be easily converted to general living space once the need for
cottage housing no longer exists. The addition must conform to all
applicable Zoning Code requirements and approvals;

[4] The lot owner shall live in 1 of the 2 dwellings on the lot;

[5] A relative of the lot owner shall live in the other dwelling; and

[6] Either the lot owner or the relative:

[a] Is more than 62 years old; or

[b] Has a medical need.

(b) Lot owner requirements:

[1] The lot owner shall submit a letter of approval from the Health
Department, stating that the water and sewer facilities for the cottage
house meet Health Department requirements.

[2] The lot owner shall submit a copy of the property deed and any
homeowners' association declarations and covenants to which the lot is
subject.

[3] The lot owner shall submit a conversion plan for approval by the
Department if the cottage house will be within the dwelling or within a
new addition to the dwelling, said plan to be applied once the need for
the cottage housing no longer exists. The conversion plan must include
a floor plan reflecting how the overall cottage housing area will be
converted to another use which will flow easily with unrestricted access
into, and be compatible with, the main dwelling.
If an application for a cottage house permit is based upon a medical need of the lot owner, or a medical need of a relative of the lot owner, the lot owner shall include a physician's statement.

If an application for a cottage house permit is based upon age of the lot owner, or age of a relative of the lot owner, the application shall include a copy of the birth certificate or driver's license of the lot owner or relative of the lot owner documenting age.

The zoning certificate for a cottage house will be deemed null and void if:

[a] The parcel is transferred or assigned; or
[b] The need for the cottage house ends.

When a zoning certificate is nullified, the lot owner shall remove the mobile home from the lot or incorporate the cottage house into the principal dwelling within 60 calendar days. If the cottage house is located within the dwelling, the overall cottage housing area will be converted with unrestricted access into, and is compatible with, the main dwelling as shown in the approved conversion plan required in Subsection (8)(b)[3]. At no time shall a mobile home or area of the dwelling approved for cottage housing be utilized as a rental unit or second dwelling unit.

Use of a cottage house under this Subsection B(8) is not grounds for or evidence of a hardship for a variance under § 267-11 (Variances).
(c) If the lot owner satisfies the requirements of this Subsection B(8), the Department shall:

[1] Issue a zoning certificate to the lot owner;

[2] Within 7 calendar days after the lot owner satisfies the requirements, notify by mail each owner of real property adjacent to the lot:

[a] That the lot owner has applied for a cottage house zoning certificate and has satisfied the requirements;

[b] That the zoning certificate is temporary;

[c] That the cottage house must be removed or incorporated into the principal dwelling when the zoning certificate is nullified;

[e] Of any other information the Department deems relevant.
