E. Inadvertent, non-substantive errors that might be made in furnishing the information required by this regulation may not be used as a reason by the Commission for disqualifying the applicant.

.03 Electronic Gaming Device Facility License.
A. General.
Unless key management holds a valid electronic gaming device facility license issued by the Commission, key management may not operate electronic gaming devices.

B. Application Fees.
Beginning July 1, 2016, the application fee for an electronic gaming device facility license is $50 for each electronic gaming device that is in operation at the facility, subject to annual adjustments by the Commission.

C. The electronic gaming device facility license issued by the Commission shall specify the maximum number of electronic gaming devices that may be operated by key management under the electronic gaming device facility license.

D. The Commission may issue an electronic gaming device facility license subject to conditions.

E. The Commission may issue an electronic gaming device facility license after determining that:
(1) The applicant has paid the application fee under § B of this regulation;
(2) The applicant has furnished the Commission with the information and documentation required under this chapter;
(3) The facility complies with the regulations of this Title; and
(4) All electronic gaming devices and associated equipment to be used in the facility have been tested and comply with any standards established by the Commission.

F. An electronic gaming device facility licensee has a continuing duty to inform the Commission of an act or omission that the licensee knows or should know constitutes a violation of the Commission's regulations.

G. Term; Renewal; License Renewal Fee.
(1) The term of an electronic gaming device facility license is 1 year.
(2) The Commission may renew the license if, before the term of the license expires, the licensee applies for renewal; and
(a) Continues to comply with all licensing requirements; and
(b) Pays a license application fee in the amount that is required under § B of this regulation.

H. An applicant may request approval to operate electronic gaming devices that pays out noncash merchandise or prizes in excess of $30 by submitting:
(a) A written explanation as to how the device awards prizes of minimal value that includes;
(i) A description of how the game operates;
(ii) The maximum noncash merchandise or prize wholesale value offered;
(b) Testing results as required under Chapter 5 of this subtitle;
(c) Technical and operator manuals; and
(d) Other information required by the Commission.

.04 Electronic Gaming Device Manufacturer/Distributor Licenses.
A. General.
(1) Unless a manufacturer or distributor holds a valid electronic gaming device manufacturer/distributor license issued by the Commission, the manufacturer or distributor may not offer electronic gaming devices.
(2) The following persons must meet the Commission's electronic gaming device manufacturer/distributor license requirements:
(a) A manufacturer or distributor; and
(b) Each person that owns, controls, or is a representative of a manufacturer or distributor.

B. Application Fees.
Beginning July 1, 2016, the application fee for a manufacturer or distributor is $150 for each electronic gaming device provided by the manufacturer or distributor that is operation in the State, subject to annual adjustments by the Commission.

C. The electronic gaming device manufacturer/distributor license issued by the Commission shall specify the maximum number of electronic gaming devices that may be offered by the manufacturer or distributor under the electronic gaming device manufacturer/distributor license.
D. The Commission may issue an electronic gaming device manufacturer/distributor license subject to conditions.

E. The Commission may issue an electronic gaming device manufacturer/distributor license after determining that:
   (1) The applicant has paid the application fee under § B of this regulation;
   (2) The applicant has furnished the Commission with the information and documentation required under this chapter;
   (3) The applicant complies with the regulations of this Title; and
   (4) All electronic gaming devices and associated equipment to be offered by the manufacturer or distributor have been tested and comply with any standards established by the Commission.

F. A manufacturer/distributor licensee has a continuing duty to inform the Commission of an act or omission that the licensee knows or should know constitutes a violation of the Commission’s regulations.

G. Term; Renewal; License Renewal Fee.
   (1) The term of an electronic gaming device manufacturer/distributor license is 1 year.
   (2) The Commission may renew the license if, before the term of the license expires, the licensee applies for renewal; and
   (a) Continues to comply with all licensing requirements; and
   (b) Pays a license application fee in the amount that is required under § B of this regulation.

.05 Registration.
A. A person who operates a skills-based amusement device shall register with the Commission if the device:
   (1) Awards only freeplay;
   (2) Is a redemption device; or
   (3) A merchandiser device that dispenses noncash merchandise or prizes having a wholesale value of not more than $30.
B. A person required to register shall provide in a manner specified by the Commission:
   (1) Name of person operating the device;
   (2) Address of the location where the device is operated;
   (3) A description of each device with an indication whether the device:
      (a) Awards only free play;
      (b) Is a redemption device; or
      (c) A merchandiser device that dispenses noncash merchandise or prizes having a wholesale value of not more than $30; and
   (5) Any additional information as required by the Commission.
C. A person required to register shall affix a Commission registration tag provided under Chapter 04 of this Subtitle to each device described under §B(3) of this Regulation.

.06. Corrective Action.
A. Deficiency.
   If the Director determines that a licensee under this subtitle no longer meets a license requirement of the subtitle, or that there is cause for imposing sanctions under Regulation .07 of this chapter, the Director may:
   (1) Assess the seriousness of the deficiency;
   (2) Require the licensee to develop a corrective action plan;
   (3) Determine whether it is necessary during the pendency of the corrective action process to emergently suspend the license;
   (4) Evaluate and, if acceptable to the Director, approve the corrective action plan;
   (5) Determine appropriate timelines for the completion of corrective action;
   (6) Conduct periodic monitoring of a licensee for which the Director required a corrective action plan to assess the licensee’s progress toward remedying the deficiencies; and
   (7) Recommend that the Commission impose a sanction under Regulation .07 of this chapter.
B. Deficiency Notice.
   Upon determining that corrective action is required to remedy a deficiency, the Director shall give written notice to a licensee that includes:
   (1) A description of the violation;
   (2) A description of the possible sanctions; and
   (3) The requirement for the licensee to submit a corrective action plan to the Director within a time frame established by the Director.
C. Corrective Action Plan.
   (1) Within 10 days of receipt of a deficiency notice under § B of this regulation, the licensee shall submit a corrective action plan to the Director for the Director’s approval.
   (2) The Director shall review the corrective action plan and inform the licensee whether the corrective action plan is acceptable.
(3) If the licensee fails to submit an acceptable corrective action plan within the time described under § C(1) of this regulation, the Director may:
(a) Provide the licensee with additional time to submit a revised corrective action plan; or
(b) Impose a sanction on the licensee under Regulation .07 of this chapter.
(4) If the Director provided a licensee notice under § B(3) of this regulation and received no timely written response, the Commission may adopt as final the Director’s decision to impose a sanction under Regulation .07 of this chapter.

D. Corrective Action Outcomes.
(1) If at any time during the corrective action plan period the Director determines that the licensee has failed to fulfill a requirement of the corrective action plan or has made insufficient progress toward remedying a deficiency, the Director may:
(a) For good cause, extend the time for completion of a corrective action plan; or
(b) Emergently suspend the licensee’s license.
(2) If at the end of the corrective action plan period the licensee has failed to adequately remedy a deficiency, the Director may impose a sanction under Regulation .07 of this chapter.

.07 Sanctions.
A. The Director may impose sanctions on a licensee for:
(1) Violating or failing to fulfill the licensee’s responsibilities or a condition of a license under this subtitle;
(2) Violating:
(a) A provision of the law;
(b) A regulation adopted under the law; or
(c) An order or directive of the Commission;
(1) Providing the Commission with false or misleading information;
(2) Failing to cooperate with the Commission;
(3) Failing to remit, or failing to make timely remittance of, funds owed to the Commission;
(4) Failing to prepare, submit, or implement an adequate corrective action plan under Regulation .06 C of this chapter;
(5) Incurring criminal charges related to the conduct of illegal gaming;
(6) Possessing materials or equipment indicating involvement by the licensee or the licensee’s employees in the conduct of illegal gaming; or
(7) Other activities or action deemed by the Director to require the imposition of a sanction.
B. Types of Sanctions.
Sanctions may include emergency suspension, suspension, revocation, and placement of conditions on the license.
C. Suspension, Revocation and Conditions.
(1) Except as set forth in § D of this regulation, the Director shall give the licensee notice of the intended suspension, revocation, or imposition of a condition at least 15 days before the imposition of the intended sanction.
(2) A licensee may appeal the Director’s imposition of a sanction before the date the sanction is imposed by submitting a request for a hearing before the Commission.
(3) The final action on a sanction is subject to judicial review as provided in State Government Article, Title 10, Subtitle 2, Annotated Code of Maryland.
D. Emergency Suspension.
(1) Notwithstanding any other requirement of this chapter, if the Director determines that immediate action is necessary to protect against an imminent, serious threat by a licensee to the security, financial stability, reputation or integrity of the State, the Director may suspend a license without prior notice.
(2) If the Director emergently suspends a license, the Director shall provide the licensee with written notice that includes:
(a) A statement of the authority upon which the suspension is based;
(b) The nature of the violation;
(c) The duration of suspension;
(d) Information about the licensee’s obligation to submit to the Agency a corrective action plan; and
(e) A statement of the licensee’s right to request a Commission hearing.
(3) If after a license is emergently suspended, the licensee does not submit a timely written request for a Commission hearing, the Director may move to revoke the license by giving the licensee notice under § C(1) of this regulation.

.08 Settlement.
A. The Commission may provide a licensee with the opportunity to discuss with staff a means of entering into a settlement agreement between the licensee and the Commission by which the violation is settled without a penalty or sanction.
B. A settlement agreement:
(1) Shall be signed by an authorized representative of the licensee and the Director or the Director’s designee; and
(2) May not be considered final and binding until approved by the Commission.
C. If a licensee violates a term of a settlement agreement, nothing in this regulation shall be construed to prevent the Commission from imposing a penalty or sanction against the licensee for that, or the underlying, violation.

.09 Hearings.
A. The Commission shall conduct a hearing in order to:
(1) Deny a license;
(2) Suspend a license; or
(3) Revoke a license.
B. Denial of a License.
(1) After reviewing an application submitted under this chapter, the Director may recommend that the Commission deny a license.
(2) If the Director recommends that the Commission deny a license, the Director, or the Director’s designee, shall promptly provide the applicant with written notice of the:
(a) Recommendation for denial;
(b) Basis for the recommendation; and
(c) Applicant’s right to request a reconsideration meeting with the Director or the Director’s designee.
(3) An applicant may submit to the Commission a written request for a reconsideration meeting within 15 days of the date of the notice described in § B(2) of this regulation.
(4) If an applicant fails to timely submit a request under § B(3) of this regulation, the Commission may adopt as final the recommendation of the Director or the Director’s designee.
(5) During a reconsideration meeting, an applicant may:
(a) Be represented by counsel; and
(b) Present evidence as to why the license should be granted;
(6) If after the reconsideration meeting the applicant is dissatisfied with the recommendation of the Director or the Director’s designee, the applicant may submit to the Commission, in writing:
(a) A request for hearing before the Commission on the recommendation of the Director or the Director’s designee; and
(b) The applicant’s legal and factual bases for disagreeing with the recommendation of the Director or the Director’s designee.
(7) An applicant may submit a hearing request to the Commission within 15 days of the date of the recommendation of the Director or the Director’s designee after the reconsideration meeting.
(8) If an applicant fails to timely submit a hearing request under § B(6), the Commission may adopt as final the recommendation of the Director or the Director’s designee.
(9) A hearing request that complies with § B (6) of this regulation shall be the subject of a hearing before the Commission, after which the Commission shall:
(a) Determine that the applicant is qualified and grant the license; or
(b) Determine that the applicant is not qualified or disqualified; and
(i) Deny the license; and
(ii) Prepare an order denying the license with a statement of the reasons and specific findings of fact.
(10) The Commission’s decision is final.
C. A Commission hearing shall be conducted in the manner specified in:
(1) State Government Article, Title 10, Subtitle 2, Annotated Code of Maryland; and
(2) COMAR 36.01.02.06.

.01 Compliance with Federal Law.
.02 Transportation.
A. Unless otherwise directed by the Commission, a licensee or entity required to register under this Subtitle shall submit written notice on a quarterly basis to the Commission indicating transportation of an electronic gaming device or skills-based amusement device.
B. For each electronic gaming device or skills-based amusement device transported, a licensee or entity required to register under this Subtitle shall submit to the Commission a written notice containing:
(1) The name and address of person initiating transportation;
(2) The name and address of the destination;
(3) The name and address of the manufacturer or distributor;
(4) A description of the device to be transported;
(5) The device certification or registration control number; and
(6) Any other information requested by the Commission.
C. A licensee or entity required to register under this Subtitle shall promptly submit to the Commission written notice of any changes to the information already submitted as required under § B of this Regulation.

.03 Register.
A. The Commission shall maintain a register of each electronic gaming device and skills-based amusement device placed in operation in the State.
B. For each electronic gaming device and skills-based amusement device placed into operation, the Commission shall:
(1) Assign a device certification or registration control number; and
(2) Assign a certification or registration tag that shall be affixed to the device.
C. If an electronic gaming device or skills-based amusement device is transported outside of a facility, a licensee or entity required to register under this Subtitle shall:
(1) Remove the certification or registration tag; and
(2) Submit the certification or registration tag to the Commission with the written notice required under Regulation .02 of this Chapter.

.04 Testing.
A. The Commission may test electronic gaming devices and associated equipment for:
(1) Accuracy; and
(2) Any other function that the Commission determines may be necessary to validate the proper functionality and performance of the devices and equipment.
B. The Commission may accept prior testing by an independent certified testing laboratory or other testing facility recognized by the Commission.

.01 Testing, Certification and Approval of Equipment, a System or Software.
A. A manufacturer or distributor may not offer the equipment, systems or software enumerated in § E of this regulation, or a modification to a Commission approved version of that equipment, system or software, for sale, lease, distribution or use in a facility without it having been:
   (1) Tested and certified by:
      (a) An independent certified testing laboratory;
      (b) The Commission; or
      (c) Other testing facility recognized by the Commission; and
   (2) Approved in writing by the Commission.
B. An electronic gaming device facility licensee may not purchase, lease or otherwise acquire the right to install, utilize or make available for use the equipment, systems or software enumerated in § E of this regulation, or a modification to a Commission approved version of that equipment, system or software, without it having been:
   (1) Tested and certified by:
      (a) An independent certified testing laboratory;
      (b) The Commission; or
      (c) Other testing facility recognized by the Commission; and
   (2) Approved in writing by the Commission.
C. An electronic gaming device facility licensee may not modify, alter or tamper with an electronic gaming device.
D. Modification, alteration or tampering with an electronic gaming device may result in the immediate suspension of a license by the Commission.
E. The testing, certification and approval requirements of this regulation shall, at a minimum, apply to:
   (1) An electronic gaming device; and
   (2) Any component of the device.
F. A prototype of equipment, a system or software required to be tested, certified and approved under § E of this regulation, or a modification to a Commission approved version of that equipment, system or software shall, at a minimum, be tested for:
   (1) Overall operational integrity;
   (2) Compliance with applicable state laws and commission regulations; and
   (3) Any other standards required by the Commission pertaining to the equipment, system or software.
G. If a facility develops any equipment, system or software that is functionally equivalent to that enumerated in this regulation, or modifies a Commission approved version of that equipment, system or software, the facility shall be subject to the testing, certification and approval requirements of this chapter to the same extent as if the equipment, system or software were developed or modified by a manufacturer.
H. A manufacturer or distributor shall pay all costs of testing, certification and approval under this chapter including, but not limited to, all costs associated with:
   (1) Transportation;
   (2) Equipment and technical services required to conduct the testing and certification process; and
   (3) Implementation testing.

.02 Submission of an Electronic Gaming Device for Testing and Certification.
A. A manufacturer or distributor seeking Commission approval for an electronic gaming device shall submit a prototype of the electronic gaming device to a location designated by the Commission.
B. A manufacturer seeking Commission approval for a modification to a Commission approved version of an electronic gaming device, including a change in theme, shall submit the modification to a location designated by the commission.
C. At the conclusion of testing of a prototype or modification to an electronic gaming device, the testing entity shall issue to the Commission a certification report in:
   (1) Electronic form; and
   (2) Format acceptable to the Commission.
D. Upon receipt of a certification report from a testing entity, but prior to a decision to approve a prototype or modification to an electronic gaming device, the Commission may require a trial period.
   (1) A trial period shall be of a scope and duration the Commission deems appropriate to assess the operation of the electronic gaming device in a live environment.
   (2) A trial period shall be subject to compliance by the manufacturer or distributor and the facility with specific terms and conditions required by the Commission.
   (3) The Commission may order termination of the trial period at any time upon a determination by the Commission that:
(a) A manufacturer, distributor or facility has not complied with the terms and conditions required by the Commission; or
(b) The electronic gaming device is not performing as expected.

E. Upon receipt of a certification report from a testing entity, the Commission may:
(1) Approve the prototype or modification, with or without specific conditions;
(2) Reject the prototype or modification;
(3) Require additional testing; or
(4) Require a trial period under § D of this regulation.

F. Commission approval of a prototype or modification of an electronic gaming device does not constitute a guarantee of its safety or reliability.

.03 Related Documentation.
A. Upon request, a manufacturer or distributor shall deliver to the Commission:
(1) Technical and operator manuals;
(2) Pay table information;
(3) A file, in a form satisfactory to the Commission, describing the electronic gaming device, including:
(a) Manufacturer/Distributor:
(i) Serial number;
(ii) Model number;
(iii) Software identification number; and
(iv) Version number;
(b) Denomination or a designation as multi-denomination;
(c) Cabinet style; and
(d) Other information required by the Commission.

.04 Emergency Modification of Equipment, a System or Software.
A. Notwithstanding the requirements of Regulations .01 and .02 of this chapter, the Commission may, on submission of a written request by a manufacturer or distributor, authorize installation of a modification to equipment, a system or software required to be tested, certified and approved by the Commission under Regulation .01 of this chapter, on an emergency basis.
B. A written request submitted by a manufacturer or distributor to the Commission shall document the:
(1) Equipment, system or software proposed for emergency modification including:
(a) Software identification number; and
(b) Version number;
(2) Facility;
(3) Reason for the emergency modification; and
(4) Proposed date and time of installation.
C. A manufacturer or distributor may not install an emergency modification without the written approval of the Commission.
D. No more than 15 days following receipt of Commission authorization on an emergency modification, a manufacturer or distributor shall submit a modification identical to that receiving emergency authorization for testing, certification and approval under this chapter.

.05 Notice of Known or Suspected Defect.
A. A manufacturer, distributor or facility shall immediately notify the Commission of any known or suspected defect or malfunction in equipment, system or software required to be tested, certified and approved by the Commission.
B. A manufacturer or distributor shall:
(1) Confirm in writing any notice given to the Commission verbally, pursuant to § A of this regulation; and
(2) If required by the Commission, notify an electronic gaming device facility licensee of any known or suspected defect or malfunction in equipment, a system or software installed in its facility.
C. A facility shall immediately notify the Commission of any known or suspected defect or malfunction in equipment, system, or software required to be tested, certified, and approved by the Commission.
D. A facility shall confirm in writing any notice given to the Commission verbally, pursuant to § C of this regulation.

.06 Revocation.
A. The Commission may, at any time, revoke an approval granted under this chapter to equipment, a system or software on a determination by the Commission that the equipment, system or software does not comply with the
technical standards specified by the Commission pertaining to the equipment, system or software, as amended or clarified.

B. The Commission may, at any time, impose additional conditions on the operation or placement of Commission approved equipment, systems, or software.
