DEPARTMENT OF HEALTH AND MENTAL HYGIENE

Subtitle 09 MEDICAL CARE PROGRAMS

10.09.70 Maryland Medicaid Managed Care Program: Non-Capitated Covered Services

Authority: Health-General Article, §§2-104(b), 15-103, and 15-105, Annotated Code of Maryland

Notice of Proposed Action

[]

The Secretary of Health and Mental Hygiene proposes to repeal Regulations .01—.10 and adopt new Regulation .01—.03 under COMAR 10.09.70 Maryland Medicaid Managed Care Program: Non-Capitated Covered Services.

Statement of Purpose

The purpose of this action is to repeal an obsolete chapter regarding the Specialty Mental Health System, as these services are now addressed in COMAR 10.09.59, and to adopt a new chapter that clarifies all the services that are not the responsibility of the MCOs but are covered by the Department on a fee-for-service basis.

Comparison to Federal Standards

There is no corresponding federal standard to this proposed action.

Estimate of Economic Impact

The proposed action has no economic impact.

Economic Impact on Small Businesses

The proposed action has minimal or no economic impact on small businesses.

Impact on Individuals with Disabilities

The proposed action has no impact on individuals with disabilities.

Opportunity for Public Comment

Comments may be sent to Michele Phinney, Director, Office of Regulation and Policy Coordination, Department of Health and Mental Hygiene, 201 West Preston Street, Room 512, Baltimore, MD 21201, or call 410-767-6499; TTY:800-735-2258, or email to dhmh.regs@maryland.gov, or fax to 410-767-6483. Comments will be accepted through November 3, 2014. A public hearing has not been scheduled.

Economic Impact Statement Part C

A. Fiscal Year in which regulations will become effective: FY 2015

B. Does the budget for the fiscal year in which regulations become effective contain funds to implement the regulations?

C. If 'yes', state whether general, special (exact name), or federal funds will be used:

D. If 'no', identify the source(s) of funds necessary for implementation of these regulations:

E. If these regulations have no economic impact under Part A, indicate reason briefly:

The revisions to COMAR 10.09.70 do not change any payers for specialty mental health services. Funding for substance use disorder services now included in the carve-out was previously included in the Managed Care Organization capitation payment and thus the change has no economic impact.

F. If these regulations have minimal or no economic impact on small businesses under Part B, indicate the reason and attach small business worksheet.

These regulations affect MCOs which are not small businesses.
