The Honorable Thomas V. Mike Miller, Jr.

President of the Senate
State House
Annapolis MD 21401

Dear Mr. President:

In accordance with Article II, Section 17 of the Maryland Constitution, today I have vetoed Senate Bill 398 – *Anne Arundel County – Environmental Health Monitoring – Reimbursement of Costs*.

The bill would require the Maryland Department of the Environment (“Department”) to reimburse Anne Arundel County for any future costs it incurs for environmental health monitoring and testing related to permit violations for which the Department collects a fine. Reimbursement may not exceed the amount of the fine. In addition, this bill would require the Department to retroactively reimburse Anne Arundel County for the testing and monitoring of well water that the County conducted for 83 homes in the vicinity of the Gambrills fly ash disposal site.

In accordance with current law, the Department delegates authority to local health departments to test and certify drinking water wells. The Department currently has a delegation agreement with Anne Arundel County under which the County voluntarily agreed to provide support such as investigation, inspection, monitoring, and sampling for the Department subject to the availability of staff and resources. The agreement does not address funding, nor does it require the County to perform testing or sampling.

Current law does not allow the Department to factor in the costs it or any other governmental entity incurs when assessing an appropriate penalty amount to a party who has violated the State’s environmental laws. All funds, fees, and penalties collected by the Department for groundwater related violations must be paid into the Maryland Clean Water Fund. Reimbursement of expenses for

sampling/testing/monitoring is not identified as a permissible use of the Clean Water Fund. Given this legal constraint, the reimbursement required under the bill would have to come from some source other than the Clean Water Fund, most likely from the Department's already tightly constrained General Fund budget.

Supporters of Senate Bill 398 argue that the Department should take local testing and monitoring expenses and costs into account when assessing fines related to sites that are permitted by the Department. Unfortunately, as noted above, the law as currently drafted does not allow the Department to shift the burden of those expenses to the parties who violate our State's environmental laws. Since the bill applies prospectively to any future Anne Arundel County costs, it is impossible to definitively calculate the future fiscal impact, which could be significant.

Thus, while the intent of the bill's supporters to ultimately shift the costs that local governments incur for testing and monitoring of well water to parties who violate our State's environmental laws may have merit, the bill is deficient in that it does not directly confront that issue. The Department completes approximately 2,000 enforcement actions a year, including approximately 900 actions for water violations, in jurisdictions across the State. An indeterminate number of those actions will include some activity by State and local agencies leading up to the action. The Department lacks statutory authority to require reimbursement in assessing the penalty, so the effect of the bill is to divert money from the Department to a local jurisdiction for activities the local jurisdiction has agreed to perform.

The bill is also deficient because it applies only to Anne Arundel County. Many counties provide environmental testing and monitoring services but they would not be eligible for reimbursement under this legislation. Requiring the Department to reimburse the expenses of only one of Maryland's 24 counties, many of which routinely undertake the monitoring, testing, and sampling of well water, is not a rational approach.

The appropriate public policy discussion is whether the Department should be authorized to incorporate reimbursement provisions in the assessment of a penalty, for every jurisdiction in the State. My Administration would be willing to engage in that discussion during the 2009 Session of the Maryland General Assembly. But Senate Bill 398 does not accomplish that public policy goal – instead, it diverts resources of the Department to reimburse a single local government a specific amount for a past event, and an uncapped, indeterminate amount for future events, for functions the County has agreed to perform.

For the above stated reasons, I have vetoed Senate Bill 398.

Sincerely,

Governor

Senate Bill 539

AN ACT concerning

Cecil County – Public Facilities Bonds

FOR the purpose of authorizing and empowering the County Commissioners of Cecil County, from time to time, to borrow not more than \$5,000,000 in order to finance the cost of the construction and improvement of certain public facilities in Cecil County and to effect that borrowing by the issuance and sale at public or private sale of its general obligation bonds in like amount; empowering the County to fix and determine, by resolution, the form, tenor, interest rate or rates or method of determining the same, terms, conditions, maturities, and all other details incident to the issuance and sale of the bonds; empowering the County to issue refunding bonds for the purchase or redemption of bonds in advance of maturity; empowering and directing the County to levy, impose, and collect, annually, ad valorem taxes in rate and amount sufficient to provide funds for the payment of the maturing principal of and interest on the bonds; exempting the bonds and refunding bonds, and the interest thereon and any income derived therefrom, from all State, county, municipal, and other taxation in the State of Maryland; and relating generally to the issuance and sale of the bonds by Cecil County.

SECTION 1. BE IT ENACTED BY THE GENERAL ASSEMBLY OF MARYLAND, That, as used in this Act, the term “County” means that body politic and corporate of the State of Maryland known as the County Commissioners of Cecil County; and the term “construction and improvement of public facilities” means the alteration, construction, reconstruction, enlargement, expansion, extension,

improvement, replacement, rehabilitation, renovation, upgrading and repair, and related architectural, financial, legal, planning, designing, or engineering services, for public capital projects in Cecil County, including any finance charges or interest prior to or during such financing and any other costs or expenditures incurred by the County in connection with the projects.

SECTION 2. AND BE IT FURTHER ENACTED, That the County is hereby authorized to finance any part or all of the costs of the public facilities described in Section 1 of this Act, and to borrow money and incur indebtedness for that purpose, at one time or from time to time, in an amount not exceeding, in the aggregate, \$5,000,000 and to evidence its borrowing by the issuance and sale upon its full faith and credit of general obligation bonds in like amount, which may be issued at one time or from time to time, in one or more groups or series, as the County may determine.

SECTION 3. AND BE IT FURTHER ENACTED, That the bonds shall be issued pursuant to a resolution of the County which shall describe generally the public facilities for which the proceeds of the bond sale are intended and the amount needed for those purposes. The County shall have and is hereby granted full and complete authority and discretion in the resolution to fix and determine with respect to the bonds of any issue: the designation, date of issue, denomination or denominations, form or forms and tenor of the bonds which, without limitation, may be issued in registered form within the meaning of Section 30 of Article 31 of the Annotated Code of Maryland, as amended; the rate or rates of interest payable thereon, or the method of determining the same, which may include a variable rate; the date or dates and amount or amounts of maturity, which need not be in equal par amounts or in consecutive annual installments, provided only that no bond of any issue shall mature later than 30 years from the date of its issue; the manner of selling the bonds, which may be at either public or private sale, for such price or prices as may be determined to be in the best interests of the County; the manner of executing the bonds, which may be by facsimile; the terms and conditions, if any, under which bonds may be tendered for payment or purchase prior to their stated maturity; the terms or conditions, if any, under which bonds may or shall be redeemed prior to their stated maturity; the place or places of payment of the principal of and the interest on the bonds, which may be at any bank or trust company within or without the State of Maryland; and generally all matters incident to the terms, conditions, issuance, sale, and delivery thereof.

The County may enter into agreements with agents, banks, fiduciaries, insurers, or others for the purpose of enhancing the marketability of and security for the bonds and for the purpose of securing any tender option that may be granted to holders of the bonds.

In case any officer whose signature appears on any bond ceases to be such officer before delivery, the signature shall nevertheless be valid and sufficient for all purposes as if the officer had remained in office until delivery. The bonds and their

issue and sale shall be exempt from the provisions of Sections 9, 10, and 11 of Article 31 of the Annotated Code of Maryland, as amended.

If the County determines in the resolution to offer any of the bonds by solicitation of competitive bids at public sale, the resolution shall fix the terms and conditions of the public sale and shall adopt a form of notice of sale, which shall outline the terms and conditions, and a form of advertisement, which shall be published in one or more daily or weekly newspapers having a general circulation in the County and which may also be published in one or more journals having a circulation primarily among banks and investment bankers. At least one publication of the advertisement shall be made not less than 10 days before the sale of bonds.

Upon delivery of any bonds to the purchaser or purchasers, payment shall be made to the Treasurer of Cecil County or such other official of the County as may be designated to receive payment in a resolution passed by the County Commissioners of Cecil County before delivery.

SECTION 4. AND BE IT FURTHER ENACTED, That the net proceeds of the sale of bonds shall be used and applied exclusively and solely for the public facilities for which the bonds are sold.

If the net proceeds of the sale of any issue of bonds exceeds the amount needed to finance the public facilities described in the resolution, the excess funds shall be applied to the payment of the next principal maturity of the bonds or to the redemption of any part of the bonds which have been made redeemable or to the purchase and cancellation of bonds, unless the County adopts a resolution allocating the excess funds to the construction, improvement, or development of other public facilities.

SECTION 5. AND BE IT FURTHER ENACTED, That the bonds hereby authorized shall constitute, and they shall so recite, an irrevocable pledge of the full faith and credit and unlimited taxing power of the County to the payment of the maturing principal of and interest on the bonds as and when they become payable. In each and every fiscal year that any of the bonds are outstanding, the County shall levy or cause to be levied ad valorem taxes upon all the assessable property within the corporate limits of the County in rate and amount sufficient to provide for or assume the payment, when due, of the principal of and interest on all the bonds maturing in each such fiscal year and, if the proceeds from the taxes so levied in any fiscal year prove inadequate for such payment, additional taxes shall be levied in the succeeding fiscal year to make up any deficiency. The County may apply to the payment of the principal of and interest on any bonds issued under this Act any funds received by it from the State of Maryland, the United States of America, any agency or instrumentality of either, or from any other source. If such funds are granted for the purpose of assisting the County in financing the construction, improvement, development, or renovation of the public facilities defined in this Act and, to the extent

of any such funds received or receivable in any fiscal year, taxes that might otherwise be required to be levied under this Act may be reduced or need not be levied.

SECTION 6. AND BE IT FURTHER ENACTED, That the County is hereby further authorized and empowered, at any time and from time to time, to issue its bonds in the manner hereinabove described for the purpose of refunding, upon purchase or redemption, any bonds issued under this Act. The validity of any refunding bonds shall in no way be dependent upon or related to the validity or invalidity of the obligations being refunded. The powers granted under this Act with respect to the issuance of bonds shall be applicable to the issuance of refunding bonds. Such refunding bonds may be issued by the County for the purpose of providing it with funds to purchase in the open market any of its outstanding bonds issued under this Act, prior to their maturity, or for the purpose of providing it with funds for the redemption prior to maturity of any outstanding bonds which are, by their terms, redeemable. The proceeds of the sale of any refunding bonds shall be segregated and set apart by the County as a separate trust fund to be used solely for the purpose of paying the purchase or redemption prices of the bonds to be refunded.

SECTION 7. AND BE IT FURTHER ENACTED, That the County may, prior to the preparation of definitive bonds, issue interim certificates or temporary bonds, exchangeable for definitive bonds when such bonds have been executed and are available for delivery. The County may, by appropriate resolution, provide for the replacement of any bonds issued under this Act which may have become mutilated or lost or destroyed upon whatever conditions and after receiving whatever indemnity as the County may require.

SECTION 8. AND BE IT FURTHER ENACTED, That any and all obligations issued under this Act, their transfer, the interest payable on them, and any income derived from them from time to time (including any profit made in their sale) shall be and are hereby declared to be at all times exempt from State, county, municipal, or other taxation of every kind and nature whatsoever within the State of Maryland.

SECTION 9. AND BE IT FURTHER ENACTED, That the authority to borrow money and issue bonds conferred on the County by this Act shall be deemed to provide additional, alternative, and supplemental authority for borrowing money and shall be regarded as supplemental and additional to powers conferred upon the County by other laws and may not be regarded as in derogation of any power now existing; and all previously enacted laws authorizing the County to borrow money are hereby continued to the extent that the power contained in them is continuing or has not been exercised, unless any law is expressly repealed by this Act, and the validity of any bonds issued under previously enacted laws is hereby ratified, confirmed, and approved. This Act, being necessary for the welfare of the inhabitants of the County, shall be liberally construed to effect its purposes. All Acts and parts of Acts inconsistent with the provisions of this Act are hereby repealed to the extent of any inconsistency.

SECTION 10. AND BE IT FURTHER ENACTED, That this Act shall take effect June 1, 2008.

Calvert County – Public Facilities Bonds

FOR the purpose of authorizing and empowering the County Commissioners of Calvert County, from time to time, to borrow not more than \$8,895,000 to finance the construction, improvement, or development of certain public facilities in Calvert County, as herein defined, and to effect such borrowing by the issuance and sale at public or private sale of its general obligation bonds in like par amount; empowering the County to fix and determine, by resolution, the form, tenor, interest rate or rates or method of determining the same, terms, conditions, maturities, and all other details incident to the issuance and sale of the bonds; empowering the County to issue refunding bonds for the purchase or redemption of bonds in advance of maturity; empowering and directing the County to levy, impose, and collect, annually, ad valorem taxes in rate and amount sufficient to provide funds for the payment of the maturing principal of and interest on the bonds; exempting the bonds and refunding bonds and the interest thereon and any income derived therefrom from all State, county, municipal, and other taxation in the State of Maryland; providing that nothing in this Act shall prevent the County from authorizing the issuance and sale of bonds the interest on which is not excludable from gross income for federal

income tax purposes; and generally relating to the issuance and sale of such bonds.

SECTION 1. BE IT ENACTED BY THE GENERAL ASSEMBLY OF MARYLAND, That, as used herein, the term "County" means the body politic and corporate of the State of Maryland known as the County Commissioners of Calvert County, and the term "construction, improvement, or development of public facilities" means the acquisition, alteration, construction, reconstruction, enlargement, equipping, expansion, extension, improvement, rehabilitation, renovation, upgrading, and repair of public buildings and facilities, and issuance costs together with the costs of acquiring land or interests in land as well as any related architectural, financial, legal, planning, or engineering services.

SECTION 2. AND BE IT FURTHER ENACTED, That the County is hereby authorized to finance any part or all of the costs of the public facilities described in Section 1 of this Act, and to borrow money and incur indebtedness for that purpose, at one time or from time to time, in an amount not exceeding, in the aggregate, \$8,895,000 and to evidence such borrowing by the issuance and sale upon its full faith and credit of general obligation bonds in like par amount, which may be issued at one time or from time to time, in one or more groups or series, as the County may determine.

SECTION 3. AND BE IT FURTHER ENACTED, That the bonds shall be issued in accordance with a resolution of the County, which shall describe generally the construction, improvement, or development of public facilities for which the proceeds of the bond sale are intended and the amount needed for those purposes. The County shall have and is hereby granted full and complete authority and discretion in the resolution to fix and determine with respect to the bonds of any issue: the designation, date of issue, denomination or denominations, form or forms, and tenor of the bonds which, without limitation, may be issued in registered form within the meaning of Section 30 of Article 31 of the Annotated Code of Maryland, as amended; the rate or rates of interest payable thereon, or the method of determining the same, which may include a variable rate; the date or dates and amount or amounts of maturity, which need not be in equal par amounts or in consecutive annual installments, provided only that no bond of any issue shall mature later than 30 years from the date of its issue; the manner of selling the bonds, which may be at either public or private sale, for such price or prices as may be determined to be for the best interests of Calvert County; the manner of executing and sealing the bonds, which may be by facsimile; the terms and conditions, if any, under which bonds may be tendered for payment or purchase prior to their stated maturity; the terms or conditions, if any, under which bonds may or shall be redeemed prior to their stated maturity; the place or places of payment of the principal of and the interest on the bonds, which may be at any bank or trust company within or without the State of Maryland; covenants relating to compliance with applicable requirements of federal income tax law, including (without limitation) covenants regarding the payment of rebate or penalties in lieu of rebate; covenants

relating to compliance with applicable requirements of federal or state securities laws; and generally all matters incident to the terms, conditions, issuance, sale, and delivery thereof.

The bonds may be made redeemable before maturity, at the option of the County, at such price or prices and under such terms and conditions as may be fixed by the County prior to the issuance of the bonds, either in the resolution or in a bond order pursuant to the bond resolution. The bonds may be issued in registered form and provision may be made for the registration of the principal only. In case any officer whose signature appears on any bond ceases to be such officer before the delivery thereof, such signature shall nevertheless be valid and sufficient for all purposes as if he had remained in office until such delivery. The bonds and the issuance and sale thereof shall be exempt from the provisions of Sections 9, 10, and 11 of Article 31 of the Annotated Code of Maryland, as amended.

The County may enter into agreements with agents, banks, fiduciaries, insurers, or others for the purpose of enhancing the marketability of any security for the bonds and for the purpose of securing any tender option that may be granted to holders of the bonds, all as may be determined and presented in the aforesaid resolution, which may (but need not) state as security for the performance by the County of any monetary obligations under such agreements the same security given by the County to bondholders for the performance by the County of its monetary obligations under the bonds.

If the County determines in the resolution to offer any of the bonds by solicitation of competitive bids at public sale, the resolution shall fix the terms and conditions of the public sale and shall adopt a form of notice of sale, which shall outline the terms and conditions, and a form of advertisement, which shall be published in one or more daily or weekly newspapers having a general circulation in the County and which may also be published in one or more journals having a circulation primarily among banks and investment bankers. At least one publication of the advertisement shall be made not less than 10 days before the sale of the bonds.

Upon delivery of any bonds to the purchaser or purchasers, payment therefor shall be made to the Treasurer of Calvert County or such other official of Calvert County as may be designated to receive such payment in a resolution passed by the County before such delivery.

SECTION 4. AND BE IT FURTHER ENACTED, That the net proceeds of the sale of bonds shall be used and applied exclusively and solely for the acquisition, construction, improvement, or development of public facilities for which the bonds are sold. If the amounts borrowed shall prove inadequate to finance the projects described in the resolution, the County may issue additional bonds with the limitations hereof for the purpose of evidencing the borrowing of additional funds for such financing, provided the resolution authorizing the sale of additional bonds shall so recite, but if

the net proceeds of the sale of any issue of bonds exceed the amount needed to finance the projects described in the resolution, the excess funds so borrowed and not expended shall be applied to the payment of the next principal maturity of the bonds or to the redemption of any part of the bonds which have been made redeemable or to the purchase and cancellation of bonds, unless the County shall adopt a resolution allocating the excess funds to the acquisition, construction, improvement, or development of other public facilities, as defined and within the limits set forth in this Act.

SECTION 5. AND BE IT FURTHER ENACTED, That the bonds hereby authorized shall constitute, and they shall so recite, an irrevocable pledge of the full faith and credit and unlimited taxing power of the County to the payment of the maturing principal of and interest on the bonds as and when they become payable. In each and every fiscal year that any of the bonds are outstanding, the County shall levy or cause to be levied ad valorem taxes upon all the assessable property within the corporate limits of the County in rate and amount sufficient to provide for or assure the payment, when due, of the principal of and interest on all the bonds maturing in each such fiscal year and, in the event the proceeds from the taxes so levied in any such fiscal year shall prove inadequate for such payment, additional taxes shall be levied in the succeeding fiscal year to make up any such deficiency. The County may apply to the payment of the principal of and interest on any bonds issued hereunder any funds received by it from the State of Maryland, the United States of America, any agency or instrumentality thereof, or from any other source, if such funds are granted for the purpose of assisting the County in financing the acquisition, construction, improvement, or development of the public facilities defined in this Act and, to the extent of any such funds received or receivable in any fiscal year, the taxes that are required to be levied may be reduced accordingly.

SECTION 6. AND BE IT FURTHER ENACTED, That the County is further authorized and empowered, at any time and from time to time, to issue its bonds in the manner hereinabove described for the purpose of refunding, by payment at maturity or upon purchase or redemption, any bonds issued hereunder. The validity of any such refunding bonds shall in no way be dependent upon or related to the validity or invalidity of the obligations so refunded. The powers herein granted with respect to the issuance of bonds shall be applicable to the issuance of refunding bonds. Such refunding bonds may be issued by the County in such an amount as shall be necessary for the purpose of providing it with funds to pay any of its outstanding bonds issued hereunder at maturity, for the purpose of providing it with funds to purchase in the open market any of its outstanding bonds issued hereunder, prior to the maturity thereof, or for the purpose of providing it with funds for the redemption prior to maturity of any outstanding bonds issued hereunder which are, by their terms, redeemable, for the purpose of providing it with funds to pay interest on any outstanding bonds issued hereunder prior to their payment at maturity of purchase or redemption in advance of maturity, or for the purpose of providing it with funds to pay any redemption or purchase premium in connection with the refunding of any of its

outstanding bonds issued hereunder. The proceeds of the sale of any such refunding bonds shall be segregated and set apart by the County as a separate trust fund to be used solely for the purpose of paying the purchase or redemption prices of the bonds to be refunded.

SECTION 7. AND BE IT FURTHER ENACTED, That the County may, prior to the preparation of definitive bonds, issue interim certificates or temporary bonds, exchangeable for definitive bonds when such bonds have been executed and are available for such delivery, provided, however, that any such interim certificates or temporary bonds shall be issued in all respects subject to the restrictions and requirements set forth in this Act. The County may, by appropriate resolution, provide for the replacement of any bonds issued hereunder which shall have become mutilated or lost or destroyed upon such conditions and after receiving such indemnity as the County may require.

SECTION 8. AND BE IT FURTHER ENACTED, That any and all obligations issued pursuant to the authority of this Act, their transfer, the interest payable thereon, and any income derived therefrom in the hands of the holders thereof from time to time (including any profit made in the sale thereof) shall be and are hereby declared to be at all times exempt from State, county, municipal, or other taxation of every kind and nature whatsoever within the State of Maryland. Nothing in this Act shall prevent the County from authorizing the issuance and sale of bonds the interest on which is not excludable from gross income for federal income tax purposes.

SECTION 9. AND BE IT FURTHER ENACTED, That the authority to borrow money and issue bonds conferred on the County by this Act shall be deemed to provide an additional and alternative authority for borrowing money and shall be regarded as supplemental and additional to powers conferred upon the County by other laws and shall not be regarded as in derogation of any power now existing; and all Acts of the General Assembly of Maryland heretofore passed authorizing the County to borrow money are hereby continued to the extent that the powers contained in such Acts have not been exercised, and nothing contained in this Act may be construed to impair, in any way, the validity of any bonds that may have been issued by the County under the authority of any said Acts, and the validity of the bonds is hereby ratified, confirmed, and approved. This Act, being necessary for the welfare of the inhabitants of Calvert County, shall be liberally construed to effect the purposes hereof. All Acts and parts of Acts inconsistent with the provisions of this Act are hereby repealed to the extent of such inconsistency.

SECTION 10. AND BE IT FURTHER ENACTED, That this Act shall take effect June 1, 2008.

Dear Mr. Speaker:

In accordance with Article II, Section 17 of the Maryland Constitution, today I have vetoed House Bill 90 – *Child Welfare – Permanency Planning and Interstate Placement of Foster Children*.

Dear Mr. Speaker:

In accordance with Article II, Section 17 of the Maryland Constitution, today I have vetoed House Bill 501 – *Anne Arundel County – Environmental Health Monitoring – Reimbursement of Costs*.

The bill would require the Maryland Department of the Environment (“Department”) to reimburse Anne Arundel County for any future costs it incurs for environmental health monitoring and testing related to permit violations for which the Department collects a fine. Reimbursement may not exceed the amount of the fine. In addition, this bill would require the Department to retroactively reimburse Anne Arundel County for the testing and monitoring of well water that the County conducted for 83 homes in the vicinity of the Gambrills fly ash disposal site.

In accordance with current law, the Department delegates authority to local health departments to test and certify drinking water wells. The Department currently has a delegation agreement with Anne Arundel County under which the County voluntarily agreed to provide support such as investigation, inspection, monitoring, and sampling for the Department subject to the availability of staff and resources. The agreement does not address funding, nor does it require the County to perform testing or sampling.

Current law does not allow the Department to factor in the costs it or any other governmental entity incurs when assessing an appropriate penalty amount to a party who has violated the State’s environmental laws. All funds, fees, and penalties collected by the Department for groundwater related violations must be paid into the Maryland Clean Water Fund. Reimbursement of expenses for sampling/testing/monitoring is not identified as a permissible use of the Clean Water Fund. Given this legal constraint, the reimbursement required under the bill would have to come from some source other than the Clean Water Fund, most likely from the Department’s already tightly constrained General Fund budget.

Supporters of House Bill 501 argue that the Department should take local testing and monitoring expenses and costs into account when assessing fines related to sites that are permitted by the Department. Unfortunately, as noted above, the law as currently drafted does not allow the Department to shift the burden of those expenses to the parties who violate our State’s environmental laws. Since the bill applies prospectively to any future Anne Arundel County costs, it is impossible to definitively calculate the future fiscal impact, which could be significant.

Thus, while the intent of the bill’s supporters to ultimately shift the costs that local governments incur for testing and monitoring of well water to parties who violate our State’s environmental laws may have merit, the bill is deficient in that it does not directly confront that issue. The Department completes approximately 2,000 enforcement actions a year, including approximately 900 actions for water violations,

in jurisdictions across the State. An indeterminate number of those actions will include some activity by State and local agencies leading up to the action. The Department lacks statutory authority to require reimbursement in assessing the penalty, so the effect of the bill is to divert money from the Department to a local jurisdiction for activities the local jurisdiction has agreed to perform.

The bill is also deficient because it applies only to Anne Arundel County. Many counties provide environmental testing and monitoring services but they would not be eligible for reimbursement under this legislation. Requiring the Department to reimburse the expenses of only one of Maryland's 24 counties, many of which routinely undertake the monitoring, testing, and sampling of well water, is not a rational approach.

The appropriate public policy discussion is whether the Department should be authorized to incorporate reimbursement provisions in the assessment of a penalty, for every jurisdiction in the State. My Administration would be willing to engage in that discussion during the 2009 Session of the Maryland General Assembly. But House Bill 501 does not accomplish that public policy goal – instead, it diverts resources of the Department to reimburse a single local government a specific amount for a past event, and an uncapped, indeterminate amount for future events, for functions the County has agreed to perform.

For the above stated reasons, I have vetoed House Bill 501.

Sincerely,

Governor

Speaker of the House
State House
Annapolis, MD 21401

Dear Mr. Speaker:

In accordance with Article II, Section 17 of the Maryland Constitution, today I have vetoed House Bill 1555 – *Baltimore City Land Bank Authority*.

This bill authorizes Baltimore City to establish a land bank authority for the purpose of acquiring, rehabilitating, or transferring real property or an interest in real property. The bill prohibits the land bank authority from exercising eminent domain actions or levying any tax. The bill further authorizes Baltimore City to take specified actions by ordinance to provide for the disposition of property and obligations of the authority on its termination.

Senate Bill 911, which was passed by the General Assembly and signed by me, accomplishes the same purpose. Therefore, it is not necessary for me to sign House Bill 1555.
